

**SIMPLE RECRUITMENT. EXCEPTIONAL RESULTS.**

# 17 YEARS

# ERP SECTOR

We're ERP recruitment specialists with over 17 years' experience in industry.

We only work in the ERP sector. We understand your industry and our world class associates have the skills and experience you need to help your project succeed.

### OUR DNA

Being fair and transparent is in our DNA. We believe in mutually beneficial relationships that go the distance and our open margins mean that you will never find hidden costs. As well as this we offer flexible payment terms to clients and candidates enabling you to take control of your project budget.

### PROVEN WORLDWIDE SUCCESS

Our associates have worked with high profile brands on some of the worlds most challenging projects .

### SUCCESS RATE

Over 96% of our associates have their contracts extended or are placed onto further projects. This continuity means that our clients save money and benefit from having an associate that is embedded into their business. Our feedback shows that our clients value our associates

### GORILLA GUARANTEE

We're so confident of our ability to place the right person in the right role as well as in the skills and experience of our associates that we offer the **#GORILLAGUARANTEE**. This means that if you aren't happy with an associates work then we'll pay for the consultant instead of you.\*

### GET THE JOB DONE

We'll help you get the job done by offering statement of works with each of our candidates. Your business pays for outcomes and not just for an associates time.

### EXCEPTIONAL TALENT

We'll connect you with the talent your project needs. From a single exceptional consultant to a fully integrated team. Many of our teams have prior experience of working together which increases productivity and reduces the risk of interpersonal conflict.

### GIVING BACK

We believe in giving back. We spend time and money working with young people encouraging them to think about careers in recruitment and ERP. We help them to develop the skills and confidence they need to succeed.
